W. C. T. U.—The Woman's Christian Temperance Union met yesterday at 3 p. m., at Mrs. Wm. Myall's. The meeting was a most successful one in every respect. They have eighty-nine members in all, and thirty honorary members, composed of gentlemen. It is a most worthy cause and should be encouraged.

A COLD SUBJECT.—A citizen upon investigation found that, during the recent sleet, there were five ounces of ice in every linear foot of telephone wire, and that a square of the ice taken from a board weighed 3½ pounds. He also found that the spruce, sycamore, gum, chestnut, hawthorne and elm trees withstood the sleet much better than other varieties.

NEW TELEPHONE.—A big consignment of poles for the Fayette Home Telephone Co.'s lines in this county has arrived. Messrs. Odell and Jones, the company's expert electricians are here. Women's Club to Meet in June.

The date of the annual meeting of the Kentucky Federation of Women's Clubs has been set for Tuesday, June 10, in this city, and will continue through Thursday evening, June 13, when a large reception will bring the convention to a close.

The convention will be held at the old Christian church, and will be opened by the president, Mrs. George C. Avery, of Louisville.

The first session will be held at 8:30 o'clock Tuesday evening and will be devoted to the address of welcome, the president's address and a musical programme. On Wednesday morning reports of the officers and three-minute reports from the clubs of the federation will be heard.

Wednesday afternoon will be devoted to the reports of the chairmen of the standing committees, and a paper will be read on "Business Methods in Club Work."

Mrs. Mason Maury will be in charge of the session in the evening, which will be devoted to forestry. The final session will be held Thursday morning, when the election of officers will take place and reports of delegates to the biennial will be heard. In the afternoon the women in attendance will be taken for a drive over the city, and in the evening will be given a reception.

Mrs. B. C. Ingles, of this city, was made chairman of the local committee, and will appoint subcommittees later.

BALD HEADS.—Some of our young men as well as old, are losing their hair, and it is only a matter of time until they will be bald, if something is not done. Carl Crawford, the expert tonsorial artist, can remedy this, if his instructions are carried out, and they are these: "Have your hair trimmed each month on the first Friday of the light of the moon for four successive months and no more dropping out will occur." Of course, there is something in the way the hair is cut, and Carl is on to that. His shop is next door to the Bourbon Bank, where he will be only too glad to meet his friends.

Mrs. Elizabeth Thompson, wife of R. A. Thompson, died Thursday at her home near Millersburg.

CUPID'S ARROW.

A thirteen-year-old girl was married to a nineteen-year-old youth in Greenup county.

There was an epidemic of marriage licenses in Paris yesterday. County Clerk Paton reports the following licenses issued: G. T. May and Miss Fannie Clinton Crews, from Austerlitz; Thomas Samuel Sledd and Miss Fenton Craig, of Plum; Lee R. Cravens and Miss Christie Sledd, of Plum; Jessie A. Alexander and Miss Tennessee Terrill, of Little Rock; Jarrett Hill and Miss Ida Wyatt. The latter couple were married by Judge H. C. Smith.

To Furnish the Church.

The plan of the women of the Christian church to raise the sum of \$5,000 to furnish the church with pews, carpets, furniture and a new organ, is meeting with general approval and will undoubtedly be successful. It is the purpose of the women to raise this large sum by asking each woman of the church to make a free-will offering, thus avoiding the worry and anxieties that usually come with fairs, suppers, etc.

If this large sum of money is raised in this earnest and dignified way, it will certainly be very creditable to the women of the Christian Church. From many reports and responses received in answer to their appeal, it now seems almost certain that the entire sum will be raised by voluntary contribution.

The women will have the entire and exclusive right to furnish the church—selecting the pews, buying the carpets and furniture—and we have no doubt that the result will show the wisdom of putting the furnishing entirely in the hands of the women. The women have adopted as their motto:

"An Offering, According to the Ability from Every Woman in the Church."

With such an object and such general and favorable endorsement of the plan, it is expected that every woman in the church will do their duty.
